

Manual 'automatic mail with grade updates by Osiris'

1. Go to <https://e-service.tudelft.nl>
2. Log in with your Net-ID (without @tudelft.nl)
3. Scroll down to 'Student preferences'

The screenshot shows a web interface with several sections. The top section is a list of organizations with checkboxes for 'Internet' and 'TU Delft'. Below this is the 'Student preferences' section, which contains a checkbox labeled 'Do you want e-mail with registration of studyresults.' that is checked and highlighted with a red square. Below that is the 'Publication preferences' section, which has a table with columns for 'Internet' and 'TU Delft' and rows for 'Base data', 'URL homepage', 'Photo', 'Mobilenumber', 'First name', and 'URL weblog'. Each row has checkboxes for both columns. At the bottom of each section are 'Update changes' and 'Reset' buttons.

4. Check the box at 'Do you want e-mail with registration of study results.'
